March 2011

## March is the Final Month for your School to Earn A+ School Rewards!

Giant would like to sincerely thank all of the schools and loyal customers who have helped make the A+ School Rewards a great success! For 21 years, Giant has remained a strong supporter of our community schools, donating over \$80 million in educational equipment and CASH to our neighborhood schools.

March marks the final month of the 2010-2011 A+ School Rewards program, which officially concludes on March 24, 2011. By the end of May, all schools who registered for the program will receive a check for this amount to use for any of your school's educational needs. Also be sure to complete the End-of-Year Program Survey, as your feedback is critical to the future of this program.
